

2021-2022 Academic Year

## Newfoundland International Student Education Program

Founded in 2007, NISEP began its program with one German student. Fast forward nearly 15 years, and NISEP is the largest International Education Program in the province of Newfoundland and Labrador.

250+

NISEP students arrive each year.

We firmly believe that our success is in large part thanks to the efforts of our wonderful host families. These families receive a \$700 tax-free monthly homestay payment per student and have the support of a local homestay coordinator, who will oversee the student's progress with regular contact.

Join the hundreds of families who live this incredible experience each year. Help make a student's dream come true!

### We're Looking For Host Families In Your Area!

Do you have a spare room and caring nature? Want to learn about new and exciting cultures? You should host an international high school student with NISEP!

All types of families are welcomed: Couples with or without children, single-parent, retired couples, etc.

Whether for a semester or a year, hosting an international student will create lifelong relationships and memories you won't soon forget!

See your own province through the eyes of an international student!
