

## Skills Transition Program

College of the North Atlantic is offering a 16-week Skills Transition Program designed for youth ages 19-29 who are in need of assistance to transition to education or employment. The program will enable youth to explore career paths, and to obtain and keep employment. This program is for youth who are involuntarily not in employment, education or training at the time of enrollment, and who have a minimum Grade 9 education.

The program consists of 12 weeks of **paid** classroom training and 4 weeks of **paid** on-the-job training. In addition, all materials, supplies, workbooks and textbooks are provided, including Personal Protective Equipment. Students are also eligible for a completion bonus of \$650.

Key elements of the Program include:

- Personal and professional development
- Career planning and job search skills
- Basic upgrading in numeracy and literacy
- Hands-on skills development in Trades
- Safety certifications
- On-the-job training

**Start date: September 7, 2021**

**End date: December 22, 2021**

**Location: College of the North Atlantic, Placentia campus, Placentia, NL**

**Registration Deadline: August 6, 2021**

*This program will be offered pending sufficient enrollment.*
